

The Ultimate High Performance Cutting Lubricant

JET 1

Stoughcool Jet 1 is a light-to-moderate duty non-chlorinated semi-synthetic coolant that can be used on steel, stainless steel, carbon steel, alloy steel, exotic alloys, cast iron, ductile iron and most other ferrous and non-ferrous metals. Its clean cooling action formula keeps machines running clean and free of bad odors associated with bacteria. Stoughcool Jet 1 is built tough and will provide long sump life. It has extremely low mist levels and is very operator friendly making it easy to see through the windows of machines while machining and is gentle to operators' skin.

Jet 1 offers these advantages:

- No sump stench, no bad odors
- Cool and Clean lubrication formula
- Low mist levels
- Extremely clean
- Low foam formula
- Chlorine free
- Biocide free

STOUGHCOOL
WE KNOW COOLANT.

Physical State	Light Yellow, Clear
Odor	Mild
Solubility in Water	Soluble in Water
PH 5% mix	9.4
PH Concentration	9.9
Residue	Liquid Film
Refractometer Factor	3.6
Specific Gravity	1.006
Density	8.4
