

JET 3EP

Stoughcool Jet3EP is a moderate-to-heavy duty semi-synthetic coolant that can be used on steel, stainless steel, carbon steel, alloy steel, exotic alloys, cast iron, ductile iron, aluminum, copper, titanium and most other ferrous and non-ferrous metals. Its triple action lubricating formula provides excellent tool life for the toughest applications while also keeping machines running clean and free of bad odors associated with bacteria. Stoughcool Jet3EP is built tough and will provide long sump life. It has extremely low mist levels and is very operator friendly making it easy to see through the windows of machines while machining and is gentle to operators' skin.

LAB DATA

Physical State	Yellow/Amber Liquid
Odor	Mild
Solubility in Water	Soluble in Water
PH 5% mix	9.2
PH Concentration	9.8
Residue	Liquid Film
Refractometer Factor	1.6

Advantages

- No sump stench, no bad odors
- Extremely long sump life
- No DCHA
- Extremely clean
- Low foam, great for high pressure
